

I'm So Lonesome I Could Cry by Hank Williams (1949)

C
Hear that lonesome whippoorwill
 C7
He sounds too blue to fly
 F C
The midnight train is whining low
 G7 C
I'm so lonesome I could cry

C
The silence of a falling star
 C7
Lights up a purple sky
 F C
And as I wonder where you are
 G7 C
I'm so lonesome I could cry

C
I've never seen a night so long
 C7
When time goes crawling by
 F C
The moon just went behind a cloud
 G7 C
To hide its face and cry

C
Did you ever see a robin weep
 C7
When leaves begin to die
 F C
That means he's lost the will to live
 G7 C
I'm so lonesome I could cry
