

Ghosties and Goblins - "Ukulele" Clare Innes (2020)

=====**Chorus**

All the [Gm] gho-sties and the gob-bl-ins are gig-gl-ing along
[F] Singing funny scary songs
They [Gm] ride their brooms and carry on,
[F] Howling at the [Gm] moon
[HOOOWOWWWLLLLLLL!!!!]

=====

[Gm] When the moon is big and bright
They [F] love to fly just like a kite
[Gm] If you see them don't take fright
They're[F] playing in the [Gm] moon-light **CHORUS**

[Gm] Once I found them in a parking lot
They were [F] launching in the air from a big sling shot,
[Gm] I jumped on a broom and said ready or not
And [F] flew with ghosties and [Gm] goblins. **CHORUS**

As the [Gm] moon sank low we said good-bye
They [F] flew away like butterflies
The [Gm] daylight makes them very shy
I [F] hope they're back to-[Gm]-morrow **CHORUS**
