

Come on up to the house — Tom Waites (& Kathleen Brennan - 1999)

A F#m D A  
When the moon is broken and the sky is cracked

F#m  
Come on up to the house

A F#m D  
When the only thing you see is everything that you lack

E7 A  
Come on up to the house.

F#m  
All your cryin' and your moaning won't do you no good

F#m  
Come on up to the house

A F#m D  
Come down off the cross we can use the wood

E7 A  
Come on up to the house.

=====

Chorus

A  
You got to Come on up to the house.

F#m  
Come on up to the house.

A F#m D  
The world is not my home, I'm just a-passin' through

E7 A  
Come on up to the house.

=====

A F#m  
When there's no light in the tunnel and no irons in the fire

F#m  
Come on up to the house.

A F#m D  
And you're singing lead soprano in a junk man's choir

E7 A  
Come on up to the house.

A F#m D  
You know when life seems nasty, brutish, and short

F#m  
Come on up to the house.

A F#m D  
When the seas are stormy and you can't find a port

E7 A  
Come on up to the house.

====Chorus

A F#m  
When there's nothing in the world that you can do

F#m  
Come on up to the house

A F#m  
You've been whipped by the forces that are inside of you

E7 A  
Come on up to the house

A F#m D A  
When you're high up top on a mountain of woe

F#m  
Come on up to the house

A F#m  
And you know you should surrender but you can't let go

E7 A  
Come on up to the house.

====Chorus
