

My Blue Tears by Dolly Parton (1971)

C F C
Fly ye away from my window little blue bird

G7 C
Fly you as far as you can away from here

F C
And let not your song fall upon my ear

G7 C
Go spread your blue wings and I'll shed my blue tears

F C
For the one that I have loved he has left me and gone

G7 C C F C C G7 C
And I'm in no mood for to hear your sad song - mmmmm / mmmm

F C
Bring not your light into my dark room yellow sunshine

G7 C
Waste not your warmth on the cold glisten here

F C
Oh trouble me not go ye elsewhere

G7 C
Go light your blue sky and I'll shed my blue tears

F C
For the one that I have loved he has left me and gone
