

# Dimming Of The Day — by Richard Thompson (1975)

G D  
This old house is falling down around my ears

C G D  
I'm drowning in a river of my tears

G D  
When all my will is gone you hold me sway

C D G  
And I need you at the dimming of the day

D A  
You pull me like the moon pulls on the tide  
D A-D-G  
You know just where I keep my better side

G D  
What days have come to keep us far apart

C G D  
A broken promise or a broken heart

G D  
Now all the bonnie birds have wheeled away

C D G  
And I need you at the dimming of the day

D A  
Come the night you're only what I want  
D A-D-G  
Come the night you could be my confidant

G D  
I see you on the street in company

C G D  
Why don't you come and ease your mind with me

G D  
I'm living for the night we steal away

C D G  
And I need you at the dimming of the day

C D G C G  
Yes I need you at the dimming of the day
